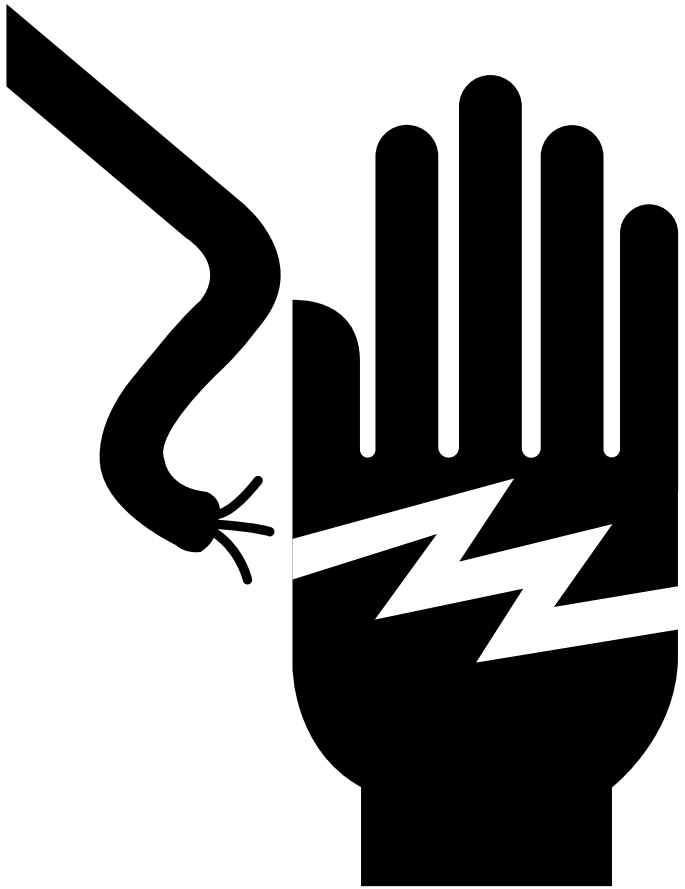
DANGER

DO NOT TOUCH



- This machine funds fascists.
  - Elon Musk's wealth is based on Tesla's inflated stock price.
  - Tesla's stock is valued at more than all other car companies combined.
  - Tesla has never made the top 10 list of car companies by production.
  - Tesla's sales and profitability are beginning to crash.
- Don't get left holding the bag.
  - Sell your Tesla before it depreciates more or gets vandalized.
  - Sell your Tesla stock & ETFs that contain it.
  - Call your retirement fund to divest from Tesla.
